CLUTCH PRODUCTIONS is a nonprofit organization dedicated to creating opportunities for women artists in theatre and film. By commissioning and producing original works, Clutch provides vital creative space for women to collaborate. All commissioned narratives are driven from a woman's point of view, and at least 50% of the roles are for actors identifying as women. Past productions include: Every Good Girl Deserves Fun by Heidi Armbruster, Bullet Catchers by the Women in Combat Theatre Project, The Worth of Water by Tira Palmquist, and the annual empowHER Reading Series.

The 2022 empowHER Reading Series is made possible in part with public funds from Creative Engagement, a regrant program supported by the New York City Department of Cultural Affairs in partnership with the City Council and the New York State Council on the Arts with the support of the office of the Governor and the New York State Legislature and administered by LMCC.

Donors are a vital member of our artistic team too, as your generosity is essential to helping us bridge the gap between ticket revenues and actual producing costs. Contributions to support our artistic mission are 100% tax deductible!
